

impossible in Winter, so I don't think it
would be possible to get within in or out.
I seem to be falling back on the fact
that I will probably have to go back to my
old home and I certainly do not want to
do that.

I heard the other day the same paper had
announced "important new classes" but later
contradicted it. I suppose that is likely
to happen at any time - I mean the report -
but I do not get excited nor do I worry. If
anything really happens I know you will let
me know.

Pardon this long letter - I know you
hate them.

I am well & still love Italy but this
year I have a very detached feeling as
if I belonged nowhere. Perhaps I have
stayed away too long.

William seems to be well & has been quite
contented this year. He goes South early
in December.

Many thanks for your letter & kindest
greetings to both you & Mrs Pfeffer.

Always cordially

Frances Noel Hall.
